186.7 PROVIDING FOR THE
CONSIDERATION OF H.R. 4801

Mr. MOAKLEY, by direction of the Committee on Rules, called up the following resolution (H. Res. 494):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4801) to amend the Small Business Act, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Small Business. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendments recommended by the Committee on Small Business now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of the bill modified by the amendments recommended by the Committee on Small Business now printed in the bill and by the additional amendments printed in part 1 of the report of the Committee on Rules accompanying this resolution. That amendment in the nature of a substitute shall be considered as read. No other amendment shall be in order except those printed in part 2 of the report of the Committee on Rules. Each amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
